

VENDOR TABLE SPONSOR

This year, the ITA is offering something new for vendors. In lieu of sponsoring a golf hole, you have the opportunity to sponsor a casino gaming table.

Our Casino Night will have blackjack, Poker, Craps and more. For **\$300** you can have your logo on one of these tables for everyone to see.

If you were looking to have a booth at our convention, you can sponsor your own game table for **\$250!** Bring swag or materials, and bring a game of your own to play and interact with our members.

It can be any game you like, as long as it is appropriate for indoors. (No tackle football!!) Have fun with it. It could be as simple as guessing how many jelly beans in a jar, Gin Rummy or Chuck-a-Luck. It could be a spin the wheel for a prize, or anything you think will entertain our members.

We hope this will give you opportunities to connect with ITA members and bring exposure to your company.

*For Entertainment only. No actual gambling is allowed.

You will be responsible for bringing your table and games, and for setting them up at the Canyon Crest Event Center prior to dinner.
