Dr. Sherawn Reberry, Idaho Workforce Development Council: IWDC gets Idahoans into the careers they want and puts them on a path to prosperity. We also make sure Idaho's employers have the highly educated, highly skilled talent they need to thrive, today and into the future. Dr. Reberry received her Doctorate in Education in 2002 in Educational Leadership with emphasis in Instructional Technology. [Idaho Launch](#)

1:30pm

Chris Watson: Director of Commercial Sales at Commercial Tire. He will present the new monitoring system designed to address tire-related issues before they result in costly downtime. [IntelliTire](#)

2:00pm

FMCSA: The Federal Motor Carrier Safety Administration's primary mission is to prevent commercial motor vehicle-related fatalities and injuries. Activities of the Administration contribute to ensuring safety in motor carrier operations through strong enforcement of safety regulations; targeting high-risk carriers and commercial motor vehicle drivers; improving safety information systems and commercial motor vehicle technologies; strengthening commercial motor vehicle equipment and operating standards; and increasing safety awareness.

3:00pm

Idaho State Police: The Commercial Vehicle Safety Section (CVS) of the Idaho State Police works to increase safety on Idaho Highways. CVS officers work to enforce safety regulations as well as educate drivers and industry about commercial vehicle safety. There are currently 20 officers statewide in the CVS program.
