

The Idaho Trucking Association (ITA) in partnership with Select Health is now offering an Association Health Plan (AHP) to its members. Offering an AHP is a big win for the ITA, and now is the time to be educated about this program before your benefits renewal.

**Advantages include:**

- Nine Select Health plans to choose from
- Composite rates instead of age-banded rates
- Relative protection from large rate increases to member companies by virtue of being part of a larger insurable population
- Richer benefit plan designs than those found on the ACA market

**Contact a Broker:**

- Contact a Select Health AHP appointed agent
- If your agent is not appointed with Select Health, reach out to Select Health's AHP Business Development Executive, Pat VanDongen at 801-718-3336. You may also Call Allen Hodges President/CEO of the ITA at (208)-949-8937
- Groups without a current agent or medical plan, please reach out to The Buckner Company:

Jon Murray  
Client Advisor  
Phone: 801-937-6744  
Email: [Jmurray@buckner.com](mailto:Jmurray@buckner.com)

Mike Deru  
Client Advisor  
Phone: 801-622-3909  
Email: [mderu@buckner.com](mailto:mderu@buckner.com)

**Next Steps:**

- Employers may enter the plan on the first of any month. The AHP will renew on July 1st.
- ITA employers are highly encouraged to explore the AHP option but are not required to opt in.
- All employers will be medically underwritten as part of the quoting process. Therefore, a full-time employee census (all eligible employees and dependents) will be needed by your broker/agent.

Thank you for your continued support of ITA. We're excited to offer the Association Health Plan as an added value to your ITA membership.
